

## THE GRAND TOUR

(5 nights) - 1250 km (about 775 miles)

It is an extraordinary experience to travel all around the Gaspé peninsula any time of the year. So imagine what it's like to visit those hidden areas that you can only get to on a snowmobile! Right from the start of this adventure, you'll discover views that push the boundaries of the spectacular. Traveling at altitude gives you an unobstructed view of the immense gulf below. At Mont-Saint-Pierre enjoy the many cliff-top views. Whether in winter or summer, Percé Rock is a must-see and a spectacular place to stop. On the south side, you'll discover a different landscape. Explore a flatter route that opens up to a fabulous view of Baie-des-Chaleurs. Wrap up your getaway through the Matapédia valley, a destination beloved for its mountains, rivers, and impressive snow accumulation.
